

# SPONSORSHIP PROGRAM

Team: \_\_\_\_\_

Player: \_\_\_\_\_

FALL 20\_\_ to SPRING 20\_\_

Dear Sponsor:

The Highland Youth Soccer Club is a nonprofit charitable corporation formed in 1993 starting with only one team and fourteen players. Today, over ten years later, HYSC has grown to over 700 children playing on over 70 travel and intramural teams. In addition to the players, hundreds of our parents are involved as volunteer coaches, officials and team parents.

With the ever increasing cost of insurance, uniforms, tournaments, referees, fees and field maintenance, we look to the business community for your continued support. Without our sponsors, registration fees would be well over \$100 per child. Through your generous contributions, our player registration fees have remained affordable and our teams are able to compete in more quality tournaments. Through our program, 90% of all sponsorship funds are returned to the acquiring team.

On behalf of our players, coaches and Executive Board, we ask that you consider one of the several sponsorship opportunities that we offer. Thank you!
